I am an Information Technology graduate passionate about product support and customer service. With knowledge of HTML, CSS, and JavaScript, I enjoy helping users resolve technical issues and improving their experience with digital platforms.

Work Experience

CUSTOMER SERVICE REPRENSENTATIVE

Transcom Ph | July 2021 - December 2025

- Provided product support by resolving customer inquiries, billing issues, and technical problems for internet, cable, home security, telephone and mobile services. Explained product features and plans, utilized CRM systems to track requests, and ensured efficient, accurate solutions with strong problem-solving and communication skills.

CUSTOMER SERVICE REPRENSENTATIVE

VXI Davao | August 2020 to February 2021

- Experienced in managing ATT mobile services and billing, providing product support, resolving customer inquiries efficiently, and using CRM systems to maintain organized workflows.

TECHNICAL SUPPORT/ PROGRAMMER

Dctech Microservices Inc.| April 2017 to May 2020

- Built and maintained strong relationships with service providers, dealers, and customers.
- Provided technical support and resolved software and hardware issues.
- Conducted data analysis and data sanitation.
- Monitored system needs for upgrades and maintenance.
- Proficient in Visual Studio, VB6, MS SQL, HTML, CSS, JavaScript and Adobe Photoshop.

TECHNICAL TOOLKIT FOR REMOTE ROLES

Communication & Collaboration: Slack, MS Teams, Microsoft 365, Google Workspace.
Customer Relationship Management (CRM): Zendesk, Einstein360, Telegence, OPUS, ECM ticketing.
Design & Creativity: Adobe Photoshop, Canva.
Technical & Data: MS SQL, MySQL, HTML, CSS, JavaScript, Visual Studio.

Education
